

## RIO Club Joins as Sponsor of the 2024 ANZA Charity Ball

The RIO Club was proud to be a **first-time sponsor** of the **ANZA Annual Charity Ball**, held on **September 20, 2024**, at the luxurious **Fairmont Hotel Jakarta**. This year's theme, '**Stars of the Small Screen**,' brought together guests for a sparkling evening of entertainment, community, and giving.

Organised by the **Australian and New Zealand Association (ANZA) Jakarta**, the Ball is the organisation's **largest annual fundraiser**, supporting ANZA's long-running **Social Welfare Program**.

**John and Sarah Brown** represented the RIO Club on the night, joining the festivities and lending their support to this important cause. The RIO Club also hosted a **lucky draw**, adding to the excitement of the evening for guests and supporters.

As a new partner in this wonderful event, the RIO Club is proud to support ANZA's mission of community, friendship, and charitable outreach—and looks forward to being part of future initiatives that help make a difference.
