

## RIO Club Sponsors of the 2025 ANZA Annual Charity Ball

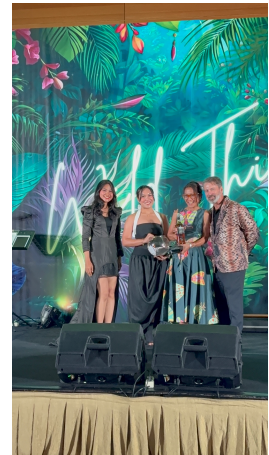

The RIO Club was proud to once again sponsor the **Australian and New Zealand Association (ANZA) Jakarta Annual Charity Ball**, held on **September 12, 2025**.

This year's event, themed **"Wild Things,"** brought together members and friends of the ANZA community for a memorable evening in support of **ANZA's Social Welfare Program**, which assists underprivileged communities across Greater Jakarta.

**John and Sarah Brown** attended the Ball on behalf of the RIO Club, joining in the festivities and helping raise funds for a great cause. As part of the evening's excitement, the **RIO Club held its signature lucky draw**, continuing a popular tradition among guests.

The RIO Club is proud to support ANZA's charitable efforts and its ongoing commitment to making a positive impact in the local community.

John Brown
