

RIO Club Sponsors the 2025 Asian Tigers Golf Challenge in Support of Tiger Conservation

The RIO Club was proud to once again sponsor the **Asian Tigers 11th Annual 45-Hole Challenge** and the **6th Annual 18-Hole Competition**, held on **September 29, 2025**.

The RIO Club has been a sponsor of this prestigious event since **2017**, and this year's tournaments continued the tradition of combining great golf with meaningful support for conservation. The day's efforts raised **IDR 110,000,000** in aid of the **Tiger Sanctuary Barumun (TSB)**, run by **Yayasan Persamuhan Boddhicitta Mandala Medan**, which is dedicated to protecting and preserving the endangered Sumatran tiger.

Representing the RIO Club in the 45-Hole Challenge were **John** and **Sarah Brown**, who joined a field of dedicated golfers in support of this vital cause.

Adding to the excitement of the day, the RIO Club hosted its own **lucky draw**, where **David Mandelbaum** was the fortunate winner—congratulations!

The RIO Club is honoured to continue supporting the Asian Tigers Golf Challenge and its commitment to wildlife conservation, while also celebrating the community spirit that makes this event so special.
