

**The RIO Club sponsors the BWA Charity Ball and Fashion Show for the fifth year running.**

The BWA Fashion Show was held at the Shangri-La hotel Jakarta on 4th May 2019. Once again The RIO Club sponsored this well organized highly successful event, marked as usual with a sellout.

Having organized several events myself, I much appreciated the professionalism and focus to detail that was very much on display throughout the evening.

More often than not the key to success is the team you have working with you. I take my hat off to Heather Powell and the great team that worked with her to make the evening an outstanding success. These events are never just a walk in the park. I further add my particular personal thanks to Heather, as this was her last event as she completed her term of office as Chairperson of the BWA. "Thank you very much, Heather. It has been a pleasure working with you, and you'll be sadly missed".

This year RIO Club, as usual, donated IDR 20 million, and a bottle of malt whisky to the door prize charity draw. Again, as usual and importantly, 50% of the money donated by RIO goes to the BWA's appointed charity, with the remainder going to the lucky draw prize winner.

This year's winner was Mr. Todd Davis, to whom I give my congratulations.
