The RIO Club donated IDR 20 million to a door prize draw on Saturday night at this year's CWA Maple Leaf Ball, importantly half of which went as always to a Jakarta based charity.

William Gray, Chairman of the RIO Club, said that "we are proud to be a sponsor of the Maple Leaf Ball 2017 and help the CWA to raise money for Kampung Kids, a charity which helps to feed, educate and provide health programs for children in Jakarta." , <http://kampungkids.org/>

This was the second consecutive year that the RIO Club has supported this event, and this year RIO has expanded its sponsorship of the CWA to include all four CWA events in 2017.
