

RIO Club Sponsors and Shines at Fiona Unity Foundation's 6th Annual Charity Golf Tournament

The RIO Club was proud to support the Fiona Unity Foundation for the second consecutive year as a sponsor of its 6th Annual Charity Golf Tournament, held at the stunning Gunung Geulis Country Club.

This year's tournament brought together 80 passionate golfers in support of the House of Hope Centre on Lombok and the Foundation's impactful 'Small Steps' program. The event was a tremendous success, raising a total of **IDR 192,414,350**.

Representing the RIO Club on the day was **John Brown**, who joined fellow golfers in supporting this meaningful cause. In true RIO Club spirit, the team not only participated with enthusiasm but also **claimed victory by winning the tournament**.

Adding to the excitement, the RIO Club also hosted a lucky draw during the event, which was **won by Gavin Webb**—congratulations!

The RIO Club is honoured to continue its partnership with the Fiona Unity Foundation and looks forward to contributing to the Foundation's mission in the years ahead.
