

The RIO Club are proud to have been part sponsors of Collective Callings annual garden party which was held at the stunning Finca Amalur Alabardero in Marbella.

Benny & Doris Robertson represented The RIO Club at this prestigious event.

Collective Calling is an established charity for Homelessness in Spain and supporting street children in Tanzania improving the quality of life for these unfortunate people in any way they can.

Congratulations to our lucky draw winner ZHANNA HAURYLENTO who took home a fine bottle of 18 year old BOWMORE MALT WHISKEY
