

## RIO Club Supports 34th German Open Cup in Aid of ISCO

The RIO Club was pleased to once again sponsor the **German Open Cup**, now in its **34th year**, continuing its support for **ISCO – the Indonesian Street Children Organization**. This marks the **sixth consecutive tournament** of RIO's involvement.

Held on the **Old Course at Jagorawi Golf & Country Club**, the tournament brought together golfers in support of ISCO's mission to improve the lives of street children through education and long-term care.

**John & Sarah Brown** represented the RIO Club at the event. In addition to taking part in the tournament, the Club also hosted a **lucky draw**, which was won by **Tony Wood**—congratulations!

The RIO Club is proud to continue supporting ISCO and its efforts to create better opportunities for children across Indonesia.
