

RIO Club Celebrates Over 30 Years of Support at the 2024 Java St. Andrew Society Ball

The RIO Club was proud to continue its longstanding support of the **Java St. Andrew Society Ball**, held on **November 30, 2024**, at the elegant **Mandarin Oriental Jakarta**. A fixture on the Jakarta social calendar, the Ball is known for its celebration of Scottish culture through traditional ceilidh dancing, Highland flair, and meaningful community giving.

This year marked **over 30 years** of the RIO Club's sponsorship of the event—an enduring partnership that reflects shared values of tradition, generosity, and international friendship.

William Gray, Founder of the RIO Club, joined **John and Sarah Brown** in representing the Club at this

year's gala. In true RIO style, guests were treated to a special **lucky draw**, featuring **15 one-ounce silver coins** and a grand prize of a **one-ounce platinum coin**—a highlight of the evening and a crowd favourite.

The RIO Club is honoured to support the Java St. Andrew Society and its charitable efforts, and looks forward to many more years of partnership with this vibrant and meaningful event.
