In addition to the sponsorship moneys provided to ICCC and CALINDO a fun draw was held with the winner taking home a rare bottle of Single Malt Scotch Whisky.

We are more than happy to underline the fact that we support this venue, 2018 being the third consecutive year in which The RIO Club has sponsored the event. RIO are one of four sponsors throughout the year with ICCC and CALINDO. We are certain to continue the close relationship with both the CWA and its annual Maple leaf ball.
