

As many companies elect to cut back on sponsorship, RIO CLUB supports the Canadian Women's Associations Social welfare activities! 12th of March 2016

The RIO Club joined hands with the CWA's Maple Leaf Ball this March in Jakarta and helped contribute towards three children charities supported by the CWA social development.

The evening not only had members of the Canadian Community coming together to celebrate Canadian traditions but was joined by people from around the world and was a perfect example of entertainment for a cause!

The RIO Club donated 1250 USD to the CWA Social Development and will be used to help three beautiful charity organisations namely *The Kampung Kids*, *Pelita Indonesia* and *the Pa Van der Steur Orphanage*. There was also a cash prize of 1250 USD for a Draw Card prize won by Eric Kemp-Gee.
