

## THE RIO CLUB and British Women's Association (BWA) Social WELFARE get together to donate IDR 33 million donation to three Jakarta-based Charities

13.6.2016

The RIO club confirmed again its commitment to sponsorship of the BWA Fashion Show, by donating over IDR 33 million to three charities supported by the BWA Social Welfare.

The three charities are **Amal Mulia**, a foundation that runs several social programs for children orphaned and abandoned, disabled children, and the elderly. **Rachel House** provides palliative care for children living with life-limiting conditions, allowing them to live with joy and dignity in a non-discriminatory, safe and loving environment. **Mary Cancer Kiddies** provides support for the medical treatment of children from financially disadvantaged families in Indonesia.

William Gray, founder of the RIO CLUB, said *"Being an adopted child myself, I have deep empathy for the less fortunate children of the world, and it gives me immense satisfaction to support the amazing work that these deserving charities continue to do. Our contribution is simply a way of reaching out to help these unprivileged women and children, in the same spirit in which the investment club seeks to help members families secure and protect their investments"*
