

RIO Club recently sponsored the BWA Fashion show for the fourth year running.

The BWA Fashion Show was held at the Shangri-La hotel Jakarta on xyz May 2018. Once again RIO Club sponsored this well organized highly successful event, marked as usual with a sellout. Great credit is due to the organizers.

This year RIO club donated IDR 20 million, and a bottle of rare malt whisky to the door prize charity draw.

As always 50% of the money donated by RIO goes to the BWA's appointed charity, with the remainder going to the lucky draw prize winner. This year the winner, Mrs. Smith, very kindly elected to also donate her winnings to the BWA charity, meaning that the elected Charity received the full IDR 20 million. Thank you Mrs Smith.
