THE RIO CLUB: Platinum Plus Sponsors for the British Women's Association, Jakarta- 2015 and 2016

Continuing our efforts to support expat charity organisations in Jakarta, The RIO Club is proud to be the **Platinum Plus Sponsors** for the **British Women's Association** in Jakarta for 2015 and 2016.

The BWA is a not for profit organisation, offering a community network and support base for expatriates living in Jakarta since 1970. Their member base consists of not only those from the UK but many from all over the world and they also have a dedicated Social Welfare Team contributing to many worthwhile causes with funds raised from a variety of BWA events. These primarily focus on Children's Homes, Education, Adult Programs, Health and Emergency Relief.
