

THE RIO CLUB and SCOTLAND IN CONCERT

As a precursor to the Highland Gathering, Scotland in Concert is an evening of great food, great wine, and unique entertainment the event is a 90 minute show which starts and finishes with the massed pipes and drums but the other acts go from jazz and blues, to choirs, to drummers, to opera.

THE RIO CLUB is a main event sponsor and as always they continue to provide a bottle of select Malt Whisky for every table, in the interest of continuity RIO has provided this free bottle of Whiskey at almost every St Andrews event since 1994. The RIO club stays true to their giving tradition by donating 1,000 USD in cash as lucky door prize.
