

Asian Tigers 9th Annual 45 Hole Challenge
4th Annual 18 Hole Competition

Once again John and Sarah Brown represented The RIO Club at the Asian Tigers 45 Hole Challenge and 18 Hole Competition. The RIO Club has been a proud sponsor of this tournament since 2017. John and Sarah successfully completed the 45 Hole Challenge; playing all 5 nines without riding on golf carts.

The event raised a total amount of IDR 62,000,000 which will be directed towards the ongoing efforts of the Animal Sanctuary Trust Indonesia (ASTI). This remarkable organization is tirelessly dedicated to rehabilitating endangered species, with a special focus on the majestic Sumatran tigers.

Congratulations to Jens Roestel who received a bottle of 18-year-old single malt scotch whisky as the winner of our draw.
