

The RIO Club are excited to have joined the Fiona Unity Foundation Golf Tournament as a sponsor this year. John & Sarah Brown teed up representing RIO on a great day of golf for a great cause.

Proceeds from the tournament went to the Fiona Unity Foundation “Small Steps Program”, to build a workshop to manufacture prosthetics and wheelchairs that will be donated to the disabled on Lombok and surrounding areas.

Congratulations to our lucky draw winner Aknes Berkenhoff who took home a fine bottle of 18-year-old whisky.
