

The RIO Club has been a sponsor of the Priscilla Hall Memorial Golf Tournament since 2017 and there to support them on their 20<sup>th</sup> anniversary. John & Sarah Brown put together an all-star team represent RIO in the tournament and despite not winning managed a respectable outing.

The event raised a total amount of IDR 407,067,500 which will be used to support the foundation's current and future projects in making a difference to the young Indonesian children's lives. The RIO Club is very proud to have been part of this significant achievement.

Congratulations to our lucky draw winner Hilton King who received a fine bottle of 18-year-old single malt scotch.
